

## DECLARATION OF COMPLIANCE

Puricom Europe S.L.  
C/ Aiguafreda, 8  
Pol. Ind. L'Ametlla Park  
08480 – L'Ametlla del Vallès ( Barcelona )

### **WE DECLARE under our own responsibility that:**

THE WATER TREATMENT UNITS BY HYDROGEN GENERATION TECHNOLOGY, WITH BRAND NAME "HAKTIVA" BELONGING TO THE RANGE OF PRODUCTS CALLED EGH2,

MEET THE CRITERIA AND TEST CASES UNDER ESTABLISHED BY:

THE **UNE 149101 STANDARD**, WATER TREATMENT EQUIPMENT INSIDE BUILDINGS. FITNESS BASIC CRITERIA USED IN WATER TREATMENT FOR HUMAN CONSUMPTION INSIDE BUILDINGS.

#### ***Water quality dispensed, testing and sweep organic compounds.***

*It hasn't been detected any compound in the migration test by GC-MS after an extraction water-water with dichloromethane according to standard BS EN 15768 GC-MS.*

*In particular, there hasn't been detected traces of Bisphenol A in the sample tested.*

*The model EGH1.1, representative of the **EGH1 PRODUCT RANGE**, dispenses water which **MEETS** migration of polymer materials required by **Regulation UE 10/2011 and RD 847/2011***

*All parameters analyzed from water samples of the migration assay are within the limits established by **Royal Decree 140/2003 and European Drinking Water Directive 98/83 CE**.*

*The model EGH1.1, representative of the **EGH1 PRODUCT RANGE**, tested which **MEETS** with the provisions in the tables 2, 3, 4, and 5 and the Annex B of the standard **UNE 149101**.*

EGH2.1 unit, representative of the **EGH2** Range of Products, were tested by the laboratory:

**STENCO**

C/ GRAN VIAL 5, EN MONTORNES DEL VALLÉS (BARCELONA).
